

9/11 Remembrance

1. Where were you when you heard about the 9/11 attacks?
 2. Have the events changed the way you look at things? If so, how?
 3. As a result of the tragedies, people are thinking more about the significance of life, and God. Has 9/11 caused you to think more about either of these?
 4. Do you believe that God cares about you?
 5. Would you like to know how God cares for you? Yes No
- If so, could I take a few minutes to do that right now? Yes No
